BANDITS BOMB AND BURN CAR, SHOOT FOUR IN MAIL HOLD UP AND GET ONLY \$400 LOOT

This Is What the Bandits Did:

Blasted Off Door of Illinois Central Mail Car With Dynamite.

Threw Two Bombs Into Car to Force Surrender of Crew.

Set Fire to Car and Contents by Hurling Firebrand Among Wreckage.

Got Registered Mail Pouch Containing \$100,000, but Discarded It.

CHICAGO, Nov. 8.—E. A. Germer, Chief Postal Inspector, announced today that the loot obtained by robbers who held up an Illinois Central train near Paxton, Ill., last night, fought a 45-minute battle with the train crew and passengers, wounding four men and dynamited and burned the mail car, would total approximately \$400.

"They got two pouches of registered mail and overlooked two others," Mr. Germer said. "One of those overlooked is said to have contained \$100,000."

"In the two they took," Mr. Germer added, "there was nothing but the ordinary run of registered letters—no bank shipments or other packages of special value."

PAXTON, Ill., Nov. 8.—Hundreds of men in poses were searching early today for ten bandits who last night "up the New Orleans Limited on the Illinois Central Railroad two miles south of here, wounded four train employees, stole two pouches of registered mail and escaped after setting fire to the mail car."

No trace of the robbers had been found early today, the only aid in the search being a statement by members of the train crew that they headed west in two automobiles, squads of Chicago police guarded all roads entering that city and the alarm was telephoned to all Central Illinois towns. The passengers were not molested, although one, K. H. Knowlton of Freeport, Ill., got three bullet holes in his coat when he and three companions went up to the mail car and fired on the bandits as the latter were fighting the engine crew and two mail clerks, barricaded in the mail car.

Arthur Moon, a Pullman porter, was shot in the chest and groin as he stood in the vestibule of a smoker. Fireman Harry Bangs was wounded in the shoulder. Thomas Baker, a mail clerk, was shot in the hand and shoulder, and Ben Robinson, another clerk, was clubbed over the head with a revolver.

Belief that \$100,000 in cash was in the mail car and prompted the hold-up was expressed by railroad men today. The bandits, however,

HARDING TAKES UP MEANS OF ENDING MAIL ROBBERIES

President and Cabinet Discuss Series of Hold-Ups Throughout Country.

WASHINGTON, Nov. 8.—Means of bringing an end to the wave of postal robberies throughout the country were discussed today by President Harding and his Cabinet.

The succession of robberies already has received exhaustive study by Post Office Department officials and it is understood that in some cases local postal authorities are not held entirely blameless.

The robbery of a mail truck in New York recently resulted in a conference between department officials and a number of those in high authority in the New York Post Office.

Quick Scoring of the Visitors Amazes Crowd of 12,000 at Game.

By William Abbott.

POLO GROUNDS, N. Y., Nov. 8.—The high scoring eleven from South Bend, Ind., scored in the first minute against Rutgers in an intercollegiate football game here this afternoon. Notre Dame ran about 40 yards to a second touchdown shortly afterward. The score thus early was Notre Dame 14, Rutgers 0.

Lining up in a quick shift, the Westerners finally pushed the ball to Castner, who skipped around the right end and never stopped until he crossed the goal line, a 50-yard run. The score came with such speed that in 12,000 spectators hardly knew what happened. Shaw kicked the goal, giving Notre Dame 7 points.

Rutgers again kicked off. In just three plays the amazing Westerners registered another touchdown. A plunge in the line, a successful forward pass and Notre Dame planted the ball on its opponent's 35-yard line. There was a flock of dark jerseys around right end with Wynne galloping with the ball. When the whistle blew Notre Dame was again behind Rutgers goal line for the second touch down. Shaw kicked the goal.

Rutgers seemed helpless against the speedy Western boys. Notre Dame 30; Rutgers 0. The ball on the Jerseyman's 35-yard line from where Castner kicked a pretty field goal, making the score Notre Dame 17, Rutgers 0.

After the early set-backs Rutgers rallied and through line plunges carried the ball into Notre Dame's territory. Rutgers almost scored a touchdown on a forward pass, but the receiver dropped the ball. After an exchange of kicks Rutgers got the ball.

AUTO KILLS SON OF JERSEY MAYOR

Richard E. Chaplin Crushed When Jolted Off Running Board of a Truck.

DOVER, N. J., Nov. 8.—Richard E. Chaplin, son of Mayor Richard J. Chaplin of Mount Arlington Borough, at Lake Hopatcong, was killed here last night in an automobile accident. He was working with a road construction gang at the Government Reservation. He got a ride on a truck driven by Fred Lamerson, which was coming into Dover from the morning board, despite Lamerson's protest. Going down a grade, the driving shaft broke and the rear wheels locked, swerving the machine sharply to one side.

Chaplin was thrown under a rear wheel and died an hour later in Dover General Hospital. Chaplin lived at No. 68 East Blackwell Street, Dover, and Lamerson at No. 116 Crystal Street.

PEGGY JOYCE GETS \$80,000 IN CASH, \$800,000 IN FURS AND JEWELS FROM HUSBAND

PEGGY HOPKINS JOYCE.

Agreement Follows Tales of Scratchings and Beatings in Chicago Court.

CHICAGO, Nov. 8.—Peggy Hopkins Joyce, former New York chorus girl, will receive a lump sum of \$80,000, two fur coats and jewels valued at \$800,000, according to terms of a settlement reached outside of court with her millionaire husband, J. Stanley Joyce, Chicago lumberman, and filed today when hearing of his action to annul the marriage was reopened. She will not contest the action.

Mrs. Joyce relinquished her right to a \$250,000 home in Miami, Fla., which Joyce purchased for her shortly after their marriage, Jan. 23, 1920; gave her husband a deed to his property in Connecticut, and returns \$100,000 in jewels purchased from a Paris jeweler, but not paid for. The jeweler recently filed suit against Joyce here to collect on notes given for the gems. Mrs. Joyce also releases title to temporary alimony of \$1,350 a month, awarded her last spring but never paid by Joyce.

Joyce testified his assets aggregated \$2,500,150.

Peggy was not in court when Judge Joseph Sabath called the case. She was represented by Weymouth Kirkland, her attorney, while she was in a hotel, it was said.

Joyce on the witness stand said the last time he saw his wife was when he left her in Paris in 1920, when he was called to the United States on business. He said he had associated with the following men after he had left Paris: Henry Lottiller, Parisian journalist; Edgar James; Raston French; Duc de Ducaul, and Prince Florida. He said he did not believe his wife had met any of those men until after he went back to the United States.

Joyce, who also charges his wife with cruelty, stated that she

SIX ARE KILLED AT ELECTION ROW IN KENTUCKY TOWN

Five Men Also Wounded in Fight Between Factions at Claypole.

TWO STORIES OF CAUSE.

Much Ill Feeling Over Candidacy of Two Men at Troublesome Creek.

JACKSON, Ky., Nov. 8.—Six men were killed and five others were wounded in an election fight shortly after the polls opened at the Clayhole voting precinct on Troublesome Creek, Breathitt County, about fifteen miles from here, to-day.

The dead are Cleveland Combs, thirty-five; Leslie Combs, thirty-seven; Ephern Allen, thirty-five; George Allen, thirty-one; John Roberts, thirty; George McIntosh, thirty. The wounded are William Barnett, fifty; Ed Davis, forty-five; Will Davis, thirty; French Combs, thirty-five; Tom McIntosh, thirty.

A special train has been sent from Jackson with physicians to attend the wounded.

The story of the affray as it reached Jackson was to the effect that Ed Combs, an uncle of the Combs boys, and defeated Democratic candidate in the August primary for County Judge, was active in support of the Republican nominee for the same office. Combs, it was said, entered the polling place to-day and attempted to give orders to the election officers. His relatives, according to the story, remonstrated with him and out of the argument grew a fight in which pistols were drawn and the shooting became general.

Another story of the affair is that the shooting started over contest of a voter's right to cast his ballot. Miller and McIntosh were Republican judges in the precincts. Men rushed into the polling place and the shooting began. When the smoke had cleared away the six men were lifeless on the floor.

There has been intense feeling in the election, especially in the contest between partisans of Sam Chockrill, Democrat, and John Candrill, Republican, candidates for Sheriff.

Local Team Takes Big Early Lead Over Trinity—4,000 Witness Game.

A crowd of 4,000 turned out to witness the gridiron battle between New York University and Trinity on Ohio Field to-day. The New York team felt confident of repeating the victory of last year, when they won, 31 to 20.

HEAVIEST VOTE RECORDED BETWEEN 9 A. M. AND NOON; BIG WOMAN BALLOT INDICATED

How Vote Was Cast in Various Boroughs of City.

Rush in Manhattan and Brooklyn Did Not Begin Until Breakfast Was Over.

Women Went to the Polls Earlier in Bronx and Washington Heights Districts.

In Queens and Staten Island Ninety Per Cent. of Ballots Cast by 2 P. M.

No Reports of Disorders at Polls—Deputy Attorney Generals Sworn In.

The voting in Greater New York to-day started slowly and became of tremendous volume between 9 o'clock and noon. A slackening in the early afternoon hours indicated that unless there was another rush just before the polls closed there would not be a remarkably heavy total vote except in those parts of the city where there has been bitter local strife in the campaigning.

Staten Island and Queens, where the Cromwell-Cahill and Connolly-Hazleton fight for the Borough Presidencies has been angry for weeks, nearly 90 per cent. of the registered voters had cast their ballots by 2.30.

Throughout the city there were no reports of disorders. There were no disputes due to the challenging of voters by partisan watchers. Everybody seemed inclined to get his vote in as quickly as possible and be free to take advantage of the sunny hot day afternoon.

CANDIDATE ACCUSED OF ROBBERY HIS RIVAL

PORTSMOUTH, O., Nov. 8.—Mayor J. S. Davis, Marshal Frank Hall and two deputies of New Boston, O., were arrested to-day on charges of highway robbery.

Arraigned before W. R. Suragan, Municipal Court Judge, they pleaded not guilty and were released on bond. Davis, socialist candidate for reelection, and the others were specifically charged with stealing 1,300 handbills from the Republican candidate.

BANK ROBBERS GET \$15,000 IN MINNEAPOLIS

MINNEAPOLIS, Nov. 8.—Three robbers entered the Republic State Bank here to-day, drove officials and patrons into the vault, and escaped with \$15,000 in cash in an automobile kept in readiness by a fourth bandit.

A lot of speculation was caused by a survey of the 24 Assembly District polling places between 12.30 and 2 o'clock showing an indifference of the women voters in that precinct Tammany stronghold. These were the figures in the election districts visited:

District	Time	Total	Women	Women
1	12.30 P. M.	400	281	69
2	1.30 P. M.	268	227	41
3	1.30 P. M.	575	445	130
4	1.30 P. M.	511	290	221
5	1.30 P. M.	461	328	133
6	12.30 P. M.	419	210	209
7	12.30 P. M.	425	277	148
8	1.30 P. M.	420	276	144
9	1.30 P. M.	555	395	160
10	1.30 P. M.	406	47	2
11	1.30 P. M.	430	179	251
12	12.30 P. M.	449	227	222
13	1.30 P. M.	401	314	87
14	1.30 P. M.	535	321	214

Though calculated this was taken to mean that when about 60 per cent. of the total registration was in only about 35 per cent. of the registered women had been to the polls.

The first hour or two of the election was in marked contrast to the usual conditions in New York, which has become almost traditionally "an early rush to the polls." Persons who are accustomed to receiving a ballot numbered from 75 to 125 when arriving at 7 o'clock found that only fifteen or twenty persons had voted ahead of them. By noon it became apparent, however, that the enthusiasm of the electors was not dulled, it was merely delayed.

Election clerks who had been telling each other that the only women voters were those who were out with pairs and bottles to get their breakfast milk, after an hour or two were exerting themselves to the utmost to make headway in passing out ballots to women eager to exercise their voting privilege for the first time in a Mayoralty election.

There were no reports of disorders at the polls in the early hours. There was a friendly squabble between Major Percival E. Nagle, Democratic candidate for Sheriff, and Special Deputy Attorney General David Siegel at a polling place at No. 1397 Lexington Avenue over the fact that Mr. Siegel, who had challenged a voter, had no credentials. Mr. Nagle escorted Mr. Siegel outside and then helped him
